Grade 1 | ENGLISH LANGUAGE ARTS

STUDENT READING & WRITING WORKBOOK - Unit 1

Language Arts only: Reading, phonics, vocabulary, comprehension and composition. Mathematics, Science, History and Scripture appear in their own books.

Lesson 1: Digraphs, sentences, and main events

Read, Listen and Learn

Direct teaching: The two letters sh work together to represent one sound in ship and shell. A sentence begins with a capital and ends with punctuation. Retell events in the order they occurred.

Original reading: The ship went past the shore. Kim saw a shell on the sand. She showed the shell to her brother and put it back.

Check your work: explain at least one answer using a drawing, calculation, exact passage, or evidence. If a task is too easy, try unfamiliar higher-level work rather than repeating memorized facts.

Reading and Writing Practice: 8 Questions

1. Underline sh in ship and shell.

2. Read shore, ship, shell aloud.

3. Where was the shell?

4. Who found the shell?

5. What did Kim do last?

6. Write a complete sentence using ship.

7. Correct: kim saw a shell

8. Write three sentences retelling the passage in order.

Writing and Revision

Write or dictate a complete response. Reread the passage, correct one unclear sentence, and identify which detail supports your answer. Reading comprehension, spelling and handwriting should be assessed separately.

Advanced Reader Extension

If you demonstrate the prerequisite skill independently, compare another unfamiliar text, explain an inference with evidence and write a longer organized response. Advanced is based on readiness, never birthday.
