Grade 3 | ENGLISH LANGUAGE ARTS

STUDENT READING & WRITING WORKBOOK - Unit 1

Language Arts only: Reading, phonics, vocabulary, comprehension and composition. Mathematics, Science, History and Scripture appear in their own books.

Lesson 1: Main idea and supporting evidence

Read, Listen and Learn

Original reading: Original passage: ‘Each Friday, the class checked the garden. Priya measured the tallest bean plant while Malik recorded the date. When the second week was colder, the group noticed slower growth, but they did not assume temperature was the only cause.’

Learn: The main idea captures what the text is mainly about. Supporting details are statements from the text; an inference is a reasoned possibility rather than something directly stated.

Reading and Writing Practice: 10 Questions

1. What did the class do every Friday?

2. Who recorded the date?

3. Who measured the plant?

4. What did the class notice during the colder week?

5. Write the central idea in one sentence.

6. List two supporting details.

7. Is it proved that cold alone caused slower growth? Explain.

8. Write a five-sentence summary.

9. Correct: ‘priya measure the plant every friday’

10. Advanced: propose two factors other than temperature that might affect growth, labeling them hypotheses.

Writing and Revision

Write or dictate a complete response. Reread the passage, correct one unclear sentence, and identify which detail supports your answer. Reading comprehension, spelling and handwriting should be assessed separately.

Advanced Reader Extension

If you demonstrate the prerequisite skill independently, compare another unfamiliar text, explain an inference with evidence and write a longer organized response. Advanced is based on readiness, never birthday.
