Grade 4 | SCRIPTURE STUDY

STUDENT SCRIPTURE WORKBOOK - Unit 1

Scripture only. Read the Word of Yahuah in its literary and covenant context. This subject is distinct from history or science coursework.

Lesson 1: Truth and wise correction

Read the Passage in Context

Read in context: Proverbs 12:17-22

Study note: Read the parallels and contrasts in the passage. Identify truthful witness and deceptive speech as the text presents them.

Understanding and Application: 10 Assignments

1. Locate the passage.

2. Which verse contrasts truthful and false witness?

3. Find one example of parallel ideas.

4. Explain a consequence of speaking without checking facts.

5. Write a direct statement from the passage in your own words.

6. Identify one inference that the passage does not explicitly state.

7. Give an example of correcting an error respectfully.

8. Summarize the passage in three sentences.

9. Explain why facts should be checked in a dispute.

10. Advanced: analyze how Hebrew wisdom parallelism shapes the contrast.

Context Check

Identify who is speaking, to whom, the surrounding passage and what is stated explicitly. Separate Scripture from inferences and later traditions.

Advanced Scripture Extension

Compare another relevant passage in its own setting, noting genre, audience and the evidence for a careful application.
