Grade 6 | ENGLISH LANGUAGE ARTS

STUDENT READING & WRITING WORKBOOK - Unit 1

Language Arts only: Reading, phonics, vocabulary, comprehension and composition. Mathematics, Science, History and Scripture appear in their own books.

Lesson 1: Claims, counterclaims and source credibility

Read, Listen and Learn

Original reading: Original passage: ‘The town proposed a later library closing time. One resident expected more visitors. A librarian noted that staffing costs might rise. Both wanted reliable attendance and budget data before deciding.’

Learn: Argument analysis asks what a person claims, what evidence exists and what remains unknown. A counterclaim deserves fair representation without pretending unsupported claims are facts.

Reading and Writing Practice: 10 Questions

1. Identify the proposal.

2. State the resident’s expectation.

3. State the librarian’s concern.

4. Which data would help?

5. Identify a claim that has not been established.

6. Write a neutral summary.

7. Write a paragraph supporting one policy with hypothetical reasoning clearly labeled.

8. Write a thoughtful counterclaim.

9. Explain what would make an attendance source reliable.

10. Advanced: write a short argument with cited evidence and two limitations.

Writing and Revision

Write or dictate a complete response. Reread the passage, correct one unclear sentence, and identify which detail supports your answer. Reading comprehension, spelling and handwriting should be assessed separately.

Advanced Reader Extension

If you demonstrate the prerequisite skill independently, compare another unfamiliar text, explain an inference with evidence and write a longer organized response. Advanced is based on readiness, never birthday.
