Independent Unit Check

READ AND LEARN

Work without looking at earlier practice or the answer key. Read the new passage first. The teacher may repeat directions but should not decode target words, suggest responses, or correct answers during the check. The result determines what to reteach.

Chad went to the shop. He got a red shell for his sister. His sister put it on a shelf. Chad was glad.

INDEPENDENT WORK, TYPE OR PRINT

1. Underline ch in Chad and sh in shop.
