AHAVA HOME LEARNING ACADEMY

Grade 1 Mathematics | Unit 1 | Day 4

Unknown Numbers and Word Problems

READ AND LEARN

An equation can contain a missing value. In 16 + __ = 25, nine are missing. Check with 25 - 16 = 9. Make a drawing or number line before deciding whether to add or subtract.

DAILY PRACTICE

1. 18 + __ = 30.

2. __ - 7 = 15.

3. Nia has 17 shells and gets 9 more. Total?

4. Twelve birds sit on a fence; five fly away. How many remain?
