AHAVA HOME LEARNING ACADEMY

Grade 1 Mathematics | Unit 1 | Day 5

Independent Check and Explanation

READ AND LEARN

Read each problem, solve without examples, then explain one solution using a number line, drawing, or place-value model. Record whether regrouping was performed independently.

DAILY PRACTICE

1. Write 58 in expanded form.

2. 36 + 27 = ?

3. 80 - 46 = ?

4. There are 24 pencils; 17 are added and 9 are used. How many remain?
