Grade 1 Scripture | Unit 1 | Day 2

Understanding Instruction

READ AND LEARN

Instruction guides learning. The proverb’s own words should be read before explaining them. An example of accepting correction is application, not a quotation from Proverbs 1.

DAILY PRACTICE

1. What is instruction?

2. Name a learning example.

3. Does that example appear word-for-word in Proverbs 1?

4. How can a learner check a claim about the verse?
