Grammar and Revision

READ AND LEARN

Proper nouns and days of the week begin with capitals. Verbs must agree with their subjects. Revision improves meaning; editing corrects conventions. A good writer does both.
Original reading: priya measure the plant every friday. the class keep a record.

DAILY PRACTICE

1. Correct the first sentence.

2. Correct the second sentence.

3. Explain why Friday is capitalized.

4. Add one evidence-based detail to the revised sentences.
