Grade 3 Scripture - Chapter 5 - Day 2

Deuteronomy 11:8-17

Moses links covenant obedience with the land, describing its dependence on rain and contrasting it with Egypt. He warns about turning aside to other mighty ones. This is a covenant exhortation, not a modern scientific rainfall study.

Model and discuss: Work the first question aloud with a relevant citation, diagram or explanation. Complete the remaining questions independently; distinguish observation from inference where applicable.

READ THE PASSAGE AND ANSWER

1. What source of water is emphasized?

2. What place is contrasted with the land?

3. What warning is given in verses 16-17?

4. Is this passage presented as a weather experiment?
