AHAVA HOME LEARNING ACADEMY

Grade 5 Language Arts | Unit 1 | Day 2

Evidence and Inference

READ AND LEARN

An inference draws on evidence but extends beyond direct statements. Passage: Three dated photographs show the bridge in use in 1921, 1938 and 1954. No traffic counts were kept with them.

DAILY PRACTICE

1. What years appear?

2. What can photos directly show?

3. Can traffic volumes be calculated from this information?

4. Write one clearly labeled inference.
