AHAVA HOME LEARNING ACADEMY

Grade 7 History | Unit 1 | Day 4

Sources and Historical Practice

READ AND LEARN

To understand Reconstruction, compare amendment texts with contemporaneous government records and accounts from affected communities. A right’s legal language does not alone show how people experienced it.

DAILY PRACTICE

1. Name one primary source.

2. What could enforcement records reveal?

3. Why consult more than one perspective?

4. Give one research question about Reconstruction.
