AHAVA HOME LEARNING ACADEMY

Grade 2 Science | Unit 1 | Day 3

Habitats and Living Requirements

READ AND LEARN

A habitat supplies resources, but organisms in different habitats have different adaptations. Frogs may use aquatic and land habitats during their life cycle. Avoid claiming all animals follow identical stages.

DAILY WORK: TYPE IN FIELDS OR PRINT AND WRITE

1. Name a pond organism.

2. List two resources it may need.

3. How can a dry habitat challenge an aquatic organism?

4. Give one example of different life stages using different habitats.
