Kindergarten Scripture Study | Unit 1 | Day 2

Hear Before Speaking

READ AND LEARN

The proverb warns that giving an answer before hearing is folly and shame. The text names a behavior and its consequence. We should not turn this into an invented command unrelated to the verse.

DAILY PRACTICE

1. What mistake does verse 13 describe?

2. What does it call such behavior?

3. Is careful listening consistent with the verse?

4. Draw a speaker and a listener.
