Day 86: Continents, Oceans and the Equator

World map with letters and numbers

World Map

1. Which letter marks North America, the continent where we live?

2. What is the name of ocean number 2?

3. Is Australia (letter F) north or south of the equator? Explain how the map shows it.

Day 87: Physical Maps and Political Maps

What does each map show?

Thing on the map	Physical or political?
A mountain range	____
The border between two states	____

A river	____
A star for a capital city	____

4. Name two things a physical map shows.

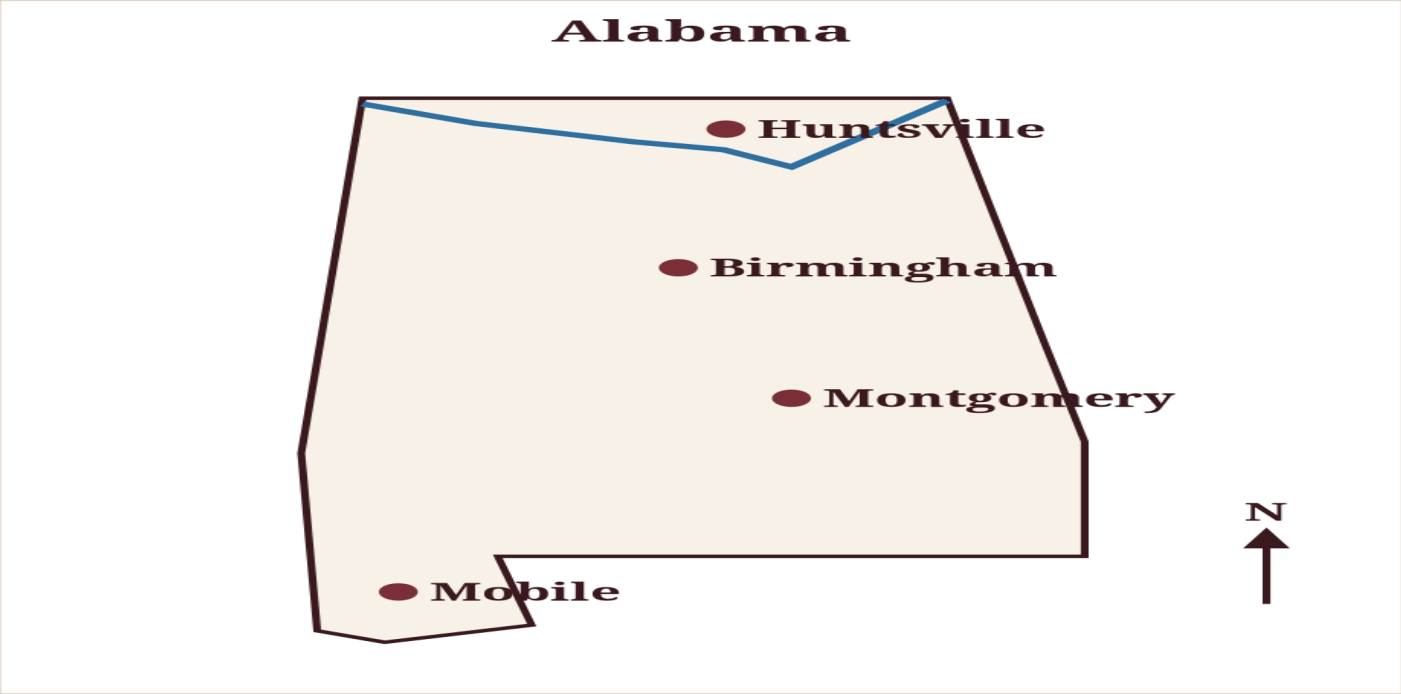

5. Would a physical map or a political map show the border between Alabama and Georgia?

6. A family plans a canoe trip down a river. Which kind of map should they look at first? Explain why.

Day 88: Alabama on Two Kinds of Maps

Map of Alabama

Alabama

7. What is the capital of Alabama?

8. Which state is west of Alabama?

9. The map shows a river and four city dots. Explain which of these is a physical feature and which are political features.

Day 89: Hands-On: Make a Map with a Key

Oak Lane (a make-believe street)

Oak Lane runs from west to east. A school is at the west end of the street. A park is on the north side of Oak Lane, in the middle. A pond is inside the park. A store is at the east end of the street, on the south side.

10. What part of a map shows the directions north, east, south and west?

11. What does a map key do?

12. Explain why you should not write a house number or a real street name on a map you share.

Hands-on task: Draw a map of a street

My Map of Oak Lane

My Map of Oak Lane

Does my map have a title, a compass rose and a key? Can someone find every place?

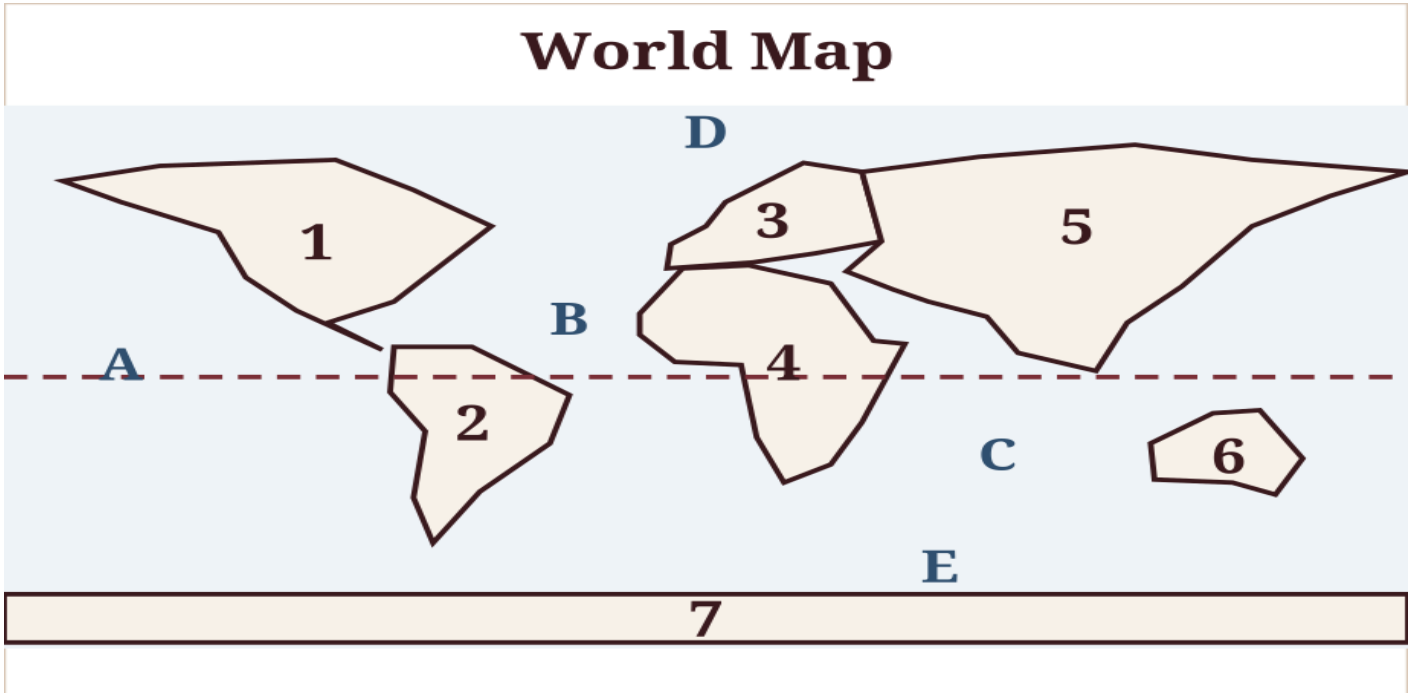

_____

_____

Day 90: Independent Check: Continents, Oceans and Maps

World map with numbers and letters

World Map

Answer on your own. An adult may read the questions aloud but should not give the answers.

13. What is the name of ocean B, between North America and Europe?

14. Which kind of map would show that Montgomery is the capital of Alabama?

15. Is Alabama north or south of the equator? Explain how you know.
